### **St. John's Presbyterian Church Pastoral Care Program**

When was the last time you had company? Are you struggling to hold it together emotionally, spiritually, physically, or mentally? Would you like one of our members to visit you in your home for encouragement and prayer? Reach out and tell us.

Broken this or leaking that... We don't all have the tools or the talents to fix these little things. The wood needs to be put in, but you aren't able? Lawn needs mowing, but you still haven't recovered from surgery? Don't worry. We can get these things fixed up. Need help getting ready your lawn, garden, or home ready for winter? Let us know what we can do.

During times of crisis, illness, bereavement, financial loss, or tragedy there are things we all need help with: meals, prayer, an ear to listen, finding government or community resources, wading through paperwork, and more. It can be so overwhelming. Let us help.

Send your requests to St. John's Presbyterian Church by contacting the church office at 902-6592703 or call Irene Gillis at 902-394-0558 or email at [pastoralcarebelfast@gmail.com](mailto:pastoralcarebelfast@gmail.com). It would be our joy to help!
