Belfast Consolidated School Report

Congratulations to last year's, grade 9 graduating classes of Belfast Consolidated on excellent results at the start of grade 10 at Montague Regional! The class passed all their 1st term credits, and as a collective, had an overall average of 88.6%! Wow! We also had 7/11 of the students average over 90% in their four courses. We are very proud of our academic standing at our school, and will continue to work hard every day, with parents and the community, to ensure this tradition continues.

Bingo was a huge hit again this year! We received prizes from 70+ businesses, filled the gymnasium, and between BCS, and our Home and School, raised close to \$2,000 for the school's Spring Fling hosted in late May/early June for the community. Thanks to George Docherty who donated his share of the \$480 pot in the 50/50 back to the school. Congratulations to our winners Daniel Carpenter, Chloe Henbest, Michelle Nowe, Madelyn Vessey, Dallas Singleton, Mary Mahar, Nikki Livingstone, Joy McCormac, Cathy Stewart, Molly Bell, and Tammy Davies. A great night!

Did you know that Wednesday, April 17th is The Canadian Foundation for Economic Education (CFEE) annual **Talk With Our Kids About Money Day**? If you would like resources to help talk to children about money and finances, please check out www.talkwithourkidsaboutmoney.com for more information.

Last month, we provided some information about what bullying really is. Here are some information about how students and staff view our school; (1) we have a higher sense of belonging, and (2) a higher level of connection to the school as compared to schools our size in PEI and Canada. (3) Students reported 100% positive self-behaviour at the school. (4) 95% of students reported feeling safe at the school, and (5) teachers felt that we score 9.5/10 for providing a safe and orderly school. These stats are from the 2017-2018 Our School Survey provided by the Department of Education. More stats next month!

Wood Islands and Area Development News

Spring is a time of renewal and awakening and the WIADC board at the Wood Islands Welcome Centre are fully engaged:

- We are welcoming a new restaurant entrepreneur to the train station. We can look forward to diner style offerings from the appropriately named **Wood Islands Whistle Stop Restaurant**. The Wood Islands Whistle Stop will be opening in mid May.
- We are very excited about the installation of the **electric car charging stations** being installed at the welcome centre this spring.
- The **rental hall** has a new coat of paint, a new fridge/freezer and a fully operational high-speed dishwasher. This is a beautiful venue for parties, presentations and training seminars.
- The **Agency Liquor Store/Commissary** will also open in mid May on a weekend basis until full time hours begin in June.
- We are excited to welcome the return of **The Candy Shop** and **Island Gold Honey** to our compliment of shops.

In a refreshed focus we will be implementing a more environmentally sound waste management system with garbage separation containers as well as food containers that are compostable and recyclable.

Watch our web site www.woodislands.ca and Facebook page for progress updates on our planning for a summer concert series, market days, sport, exercise and other events.

Director of the Belfast Recreation Centre

Pinette-Flat River-Roseberry 2019 Mosquito Program

Once again, the dedicated volunteers of the Mosquito Combat Unit plan to be on the watch. We need your support to continue keeping the mosquito population down from where it was in past years.

Our team of combat trained volunteers can always use more help, when you are available, to help spoil the mosquitoes' plan to make our lives miserable! I am sure most can recall back before the program was started how bad the infestation was. It will, as you know, return, with vengeance, if we do not stay mission-focused to manage these beasts to the best of our ability. As always, and most importantly, we need your continued financial support. For program support in 2019, we are again asking \$120.- per household within our treatment area from Pinette-Roseberry-Flat River to Big Point Road and all stops in between, this is our battleground.

A few things to consider: a) there will always be mosquitos, and we will never eliminate them all; b) before the program started, going outside in the summer was miserable for most homes in this area; and c) we cannot continue without your continued financial support.

Those wishing to support the treatment area, please drop off your contribution at Cooper's Red and White. Cheques or cash are accepted. Mail-in payment can be sent to Debbie Beck, 38 Pinette Road, Belfast PE COA 1A0. An e-transfer is the easiest way to pay, send to belfastmosquitos@hotmail.com. Any contribution amount at all would help, with the continuation of the program. To join the team or for more information, please contact Blair Morrison by phone: 902-626-5481, by e-mail: blairmorrison.75@gmail.com or belfastmosquitos@hotmail.com. Join our Facebook group – Pinette & Flat River Mosquito Program – for updates and treatment calls.

NOTE: There will be a meeting at the Belfast School, Tuesday evening, 9-April-2019 at 7:00 PM to review the go forward plan. All are welcome and encouraged to attend to ask questions, sign up, and or see what it is all about. Payments can be made at this time.

We Thank you for your support,

The Pinette-Roseberry-Flat River Mosquito Team

The Belfast Lions Club - What Lions is All About

As mentioned in the March newsletter, our goal is to support projects that meet the goals of Lions Clubs International and foremost, we have a strong commitment to our community and its needs. When we say Lions support, it is actually each of you by your support, with sponsoring the Belfast Lions Club and our various fundraising events. Our community support is a direct reflection on the wonderful community support we receive from you! Moving forward through the text, when "we" is used, it means you.

Our largest sponsorship activity is providing a financial contribution to individuals who must travel to receive medical assistance they cannot get here at home. This could be to NS, NB, QC, ON or beyond. During the past 12 months, there has been support provided to over 40 individuals.

We will be hosting the annual Seniors Supper in the month of May, with date to follow.

If you are interested in becoming a Club Member, we invite you to attend a meeting or two to learn what we are all about. **All are welcome!** Meetings are held the 1st and 3rd Tuesday of each month at 8:30 PM at Belfast Consolidated School. Please contact David Cooper at 902-659-2667 or 902-940-7415 or any Lions member if you are interested and we will ensure you get to a meeting.

Belfast Historical Society (BHS)

The Belfast Historical Society is a not-for-profit community organization with charitable status. We preserve, protect and promote the arts, culture, heritage and history of the local area.

Should the BHS receive student funding, we will be looking for a 2019 student to work at the Croft House at Selkirk Park this summer for the months of July and August. If history and community are passions and you are interested:

- polish up your resumé;
- register with the PEI "Jobs of Youth" Employment Registry; and
- reach out to any of the following Directors of the BHS. Ian Mac Pherson, Gordon Furness, Kim Doherty Smith, Doris MacDonald, Donald MacDonald, Darlene Compton, Audrey Shillabeer, Kevin Jeffrey, or Phyllis MacCabe.

For messages or news of upcoming BHS events, like (and share, please!) our Facebook page: Belfast Historical Society. We are a wee, but heart strong, organization, and we welcome new members. Our next scheduled general meeting is April 25 at 7:00 p.m. at the Croft House on Selkirk Park Road. Speaker (TBA), and shared lunch.

Big Belfast: A Rural Community Model

The Belfast Historical Society continues to work on a community development plan called "Big Belfast: A Rural Community Model" using vision and leadership just as Lord Selkirk did over 200 hundred years ago. "Big Belfast" is a BHS "brand" and follows guiding principles.

There are several community "pillars" under our brand umbrella. One we are focusing on right now is Big Belfast Businesses. A "Fun Map and Passport" of Big Belfast businesses (Lots 57, 58, 60 and 62 — from MacPhail Homestead to Little Sands) — specifically targeting tourists and other visitors to THIS area. (A similar project in past years was successful beyond our wildest expectations.) The fun map is being created now by a local media company and will have room for a limited number of paying businesses to participate. Participating businesses will need to demonstrate support for the Big Belfast concept and brand in the form of a "Letter of Support" which many of you have already kindly provided.

Other "pillars" included in our Big Belfast model are Arts, Culture, Heritage and History; the Environment; Housing; Infrastructure; Education; "Food, Fish, Farm and Forage;" Sports and Recreation; Health and Wellness; Faith; and Transportation... and more can be added as people express interest in them. Details—and actions— are community driven. Thanks to all those who have contacted the BHS and are stepping up already.

An illustration of the community model concept can be found by scrolling through our Facebook page: Big Belfast: A Rural Community Model. Like and share as you wish! Contact Audrey at ajs@bellaliant.net or (902) 940-4784.

The Spring Information Session and Workshop has been postponed —sadly— owing to the health of our favourite facilitator. Some Saturday morning breakfast sessions are being imagined now, instead. Stay tuned.

The program will provide financial support for eligible patients and/or their essential escorts traveling out of the province. This ensures travel is possible for all PEI residents who hold a valid PEI Health Card. Financial assistance is provided through subsidizing eligible applicants and their essential escorts' fare costs.
