Thank You, Belfast

I would like to thank all who have offered kind and encouraging words since I allowed my name to stand for Mayor of Belfast last fall. I have been honoured and humbled. However, I have decided it is best that I resign from council. I have recently accepted employment as Chief Administrative Officer with another municipality. Not only is the job demanding everything I've got, but both communities need top officials who are recognized in connection with only one community. I did not see this opportunity coming when nominations closed last fall, and I regret letting you down.

I am sure another will step forward to take the mayor's chair. The main requirement is a desire to serve the community we live in. If someone comes to mind, suggest they consider it.

You have a strong council remaining. Please continue to encourage, support, and provide your input to them.

Jill Walsh

Belfast Consolidated School Report

We want to thank our students, parents, staff, and the community for their support of Toonies for Trayton. We were able to raise \$2,100.00 for the Heart and Stroke Foundation of PEI. Great work everyone! Thanks to Lynn Docherty for her work on this project with us. We had great coverage in the Guardian, on Compass, and CBC the National.

Parent/Teacher interviews are Thursday March 7th and Friday March 8th. Check the school website for times.

Belfast Consolidated is hosting a night of nutritional information and discussion of the Canada Food Guide on Thursday, March 14th at 6:30. The evening's presentation is hosted by a Belfast School Alumni, Katelyn MacLean, nutritionist for the Superstore! Babysitting will be provided.

Bullying is often a hot topic of discussion. In January, we held an information session on bullying presented by Craig Conohan, counselling consultant from the PSB. Craig shared the definition of bullying as: Bullying is a conscious, willful, and deliberate hostile activity intended to harm, induce fear through the threat of further aggression, and create terror. Also, bullying has four elements: (a) imbalance of power (physical, intellectual, or emotional), (b) repeated over time, (c) intentional, and (d) unequal display of emotion. We will share more information in the coming Lions' Newsletters.

About Belfast and Area Watershed Group

The purpose of the Belfast and Area Watershed Group Inc. (BAWG) is to protect, maintain and enhance the ecology of the area for the environmental, social and economic well-being of the area residents. The geographical coverage area covers the Belfast Area – Eldon to Wood Islands thru to Cape Bear. Since it's beginnings in 2017 the BAWG has provided summer employment for students, planted over 800 trees, built tree swallow boxes for community members, stocked the Roseberry branch of the Pinette River with 500 Brook Trout and are facilitating a restoration project at MacPherson's Mill. For any additional information, please contact Scott Roloson, President, Belfast and Area Watershed Group at 902-393-1061.

Carbon Capture Tree Planting Initiative

Belfast Area Watershed Group (BAWG) is looking for land owners with high sloped fields, fields with sensitive soils and stream buffer zones with reduced forest cover. There is currently a call out under the Carbon Capture Tree Planting Program that would see all planting costs covered and a one-time payment through ALUS program. BAWG is interested in helping land owners access the program. For more information, interested landowners can e-mail belfastareawatershedgroup@gmail.com.

It is suitable for a college or high school student that is a self-starter and looking for work till the end of June. E-mail gardens@islandpride.ca or call 902-964-2044. Anne or John Keuper.

Property Wanted

Belfast Historical Society (BHS)

The Belfast Historical Society is a not-for-profit community organization with charitable status. We preserve, protect and promote the arts, culture, heritage and history of the local area.

The BHS will be looking for a 2019 site manager, a groundskeeper, and a student to work at the Croft House at Selkirk Park this summer. We are open mid-June through to the end of September. If history and community are passions and you are interested: polish up your resumé; register with the PEI Employment Registry, and in the case of the student: please register with the PEI "Jobs of Youth" Employment Registry; and reach out to any of the following Directors of the BHS. Ian Mac Pherson, Gordon Furness, Kim Doherty Smith, Doris MacDonald, Donald MacDonald, Darlene Compton, Audrey Shillabeer, Kevin Jeffrey, or Phyllis MacCabe.

The BHS continues to work on a community development plan called "Big Belfast: A Rural Community Model" using vision and leadership just as Lord Selkirk did over 200 hundred years ago. (A second community input session is in the works for this spring.) Big Belfast is a BHS "brand" and follows guiding principles. Included in our Big Belfast plans is a new Arts and Cultural Centre which will include a new gallery to house the recently acquired Elinor Murchison Gillis historical and folk-art collections. The need for Housing remains a focus of discussions. The Health and Wellness pillar has sparked some great conversations recently: CPR/First Aid; exercise classes, and mosquito control. Details—and actions— are community driven. Thanks to all those who have contacted the BHS and are stepping up.

For messages or news of upcoming BHS events, like (and share, please!) our Facebook page: Belfast Historical Society, and Big Belfast: A Rural Community Model. We are a wee, but heart strong, organization, and we are looking for new members.

Date for our Annual General Meeting and social evening will be announced soon. Watch for it!
