Belfast and Area Watershed Group

BAWG would like to thank the organizers of Belfast Days for the tremendous efforts in bringing back this great community event. Through the generous support of the Greening Spaces Program, BAWG was happy to give-a-way 300 native tree and shrubs during Belfast Days weekend, adding to the beauty and habitat in our communities.

Tree planting and stream restoration projects are well underway and if anyone would like to volunteer an hour or two, please connect with us via e-mail or Facebook. Planning is underway for community beach clean-ups later in August, details will be posted to Facebook. Encourage stewardship of our beautiful Island by bringing along a container to pick-up any litter on your outings, teach by example.

If you see the BAWG crew out and about in your area, we like treats – keeps our strength up. Thank you for all your support.

Point Prim Lighthouse

Things are sailing down at the Point Prim Lighthouse. We have a group of excellent students working for us this summer. Visitor numbers are up and we've seen people from all over the world. Last month, we were visited by Whisperwood Villa residents, staff and volunteers for a picnic. We love to see people using our beautiful grounds.

We're going to be having some special events this month. Schedule as follows but subject to change. Please check our Facebook page or website for updates.

From August 16th to 18th, we have HAM's at the lighthouse trying to make as many contacts as possible for International Lighthouse Lightship Weekend. Local amateur radio enthusiast, George Dewar, will be on air attempting to make as many contacts as possible with over 500 lighthouses in over 40 countries around the world. The ILLW was established in 1998 and over the years it has evolved into one of the most popular international amateur radio events in existence.

We have a double artisan day on August 17th! Margaret Westlie will be on hand to sign copies of her book, "Selkirk Stories" from 10:00am - 2:00pm and craftsman Jim Murchison, will be on site to demonstrate how he handcrafts wood Lighthouses from 1:30pm - 3:30pm.

On August 24th Grant Critch will be here demonstrating his wood burning talents. His drawings are all free hand and are amazing. You won't want to miss this! Time for this event is to be determined.

We also have a very impressive gift shop full of other goodies from local artists. Come for a visit, we'd love to see you at 2147 Point Prim Road. We're open 10:00am – 6:00pm, 7 days a week.

If you have any questions about any of these events please contact us via our gift shop at 902-659-2768, or you may also e-mail us at pointprimlighthouse@gmail.com.

IRELAND MEETS SCOTLAND Returns for 2019!

This high-caliber celebration of Celtic heritage, music and dance will be performed at two historic venues for 2019: Wednesday evenings July 17-Aug 28 at PEI Preserve Company in New Glasgow, and Friday evenings July 19-Aug 30 at Beaconsfield Historic House in Charlottetown. All shows begin at 8pm. \$20 adults, \$15 seniors, \$10 children under 12.

IRELAND MEETS SCOTLAND tells the compelling story of Irish and Scottish immigrants leaving their homelands in the 1800s and meeting in the New World, many of them here on Prince Edward Island. The story is told primarily through music and dance, with just enough prose and poetry laced with comedy to set the scenes in the minds eye of the audience.

Ireland Meets Scotland is great fun for all ages. The show features Sean Kemp and Tristan Jeffrey on fiddle, Amanda Mark on flute & tin whistle, Kevin Jeffrey on guitar & vocals, and Celtic dancer Abigail Rogers.

The **Ireland Meets Scotland** show is significant since it celebrates the Scottish and Irish heritage of Prince Edward Island and new immigrants settling on PEI. The 2019 season will be a reunion of original cast members from the show's critically acclaimed run during 1999-2002.

Sir Andrew Macphail Homestead

The Sir Andrew Macphail Homestead is serving lunch in our beautiful Veranda Cafe on weekdays (closed Mondays). Delicious soups, fishcakes, bread pudding with whiskey sauce are a few of our best-loved menu items. The "Orwell Salad" is a potato salad with a house-made pesto dressing. We can accommodate gluten-free as well as vegetarian preferences. We grow our own veggies and use them for our soups and salads.

Sunday Brunch is a hearty meal served in the sunny, airy Cafe. Served between 11:30am - 2:30pm.

Ceilidh at the Corner is every Thursday night at Orwell Corner Historic Village. Add some fun and experience our 'Package', consisting of a wagon ride from Orwell Corner to the Macphail Homestead, where we will serve you a delicious three-course meal (cash bar available) then back to Orwell by wagon in time to attend Ward MacDonald and friend's evening of traditional music plus an opportunity to square dance! The Package costs \$50 per person for all three activities. To only attend the Ceilidh, tickets are \$15.00 and the doors open at 7:00pm for 7:30.

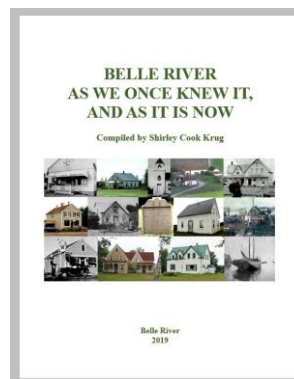

Events in August:

Gaelic Poetry: Iain MacPherson (University of Highlands & Islands, Inverness) will present again this year, those who have attended his lectures know that he has a gift for making poems and literature come alive. He is fluent in Gaelic and he switches between Gaelic and English effortlessly. If you have any interest in Gaelic, I highly recommend this event. Saturday, August 17th. Please join us for soup and biscuits (\$10.00), cash bar before the lecture.

"Yr. Humble Servant": An afternoon of chamber theatre with **Samuel Johnson**, performed by Terry Pratt (Professor Emeritus of English at UPEI for 35 years.) This one-man play showcases Samuel Johnson who was a remarkable author, conversationalist, and personality, who in the face of many setbacks, created the first true dictionary of English. The show will begin at 2:00pm on Tuesday, August 27th. Our cafe will be open for lunch that day as usual so come for lunch and then see the show.

Reservations for all of these events can be made by calling the Homestead at (902) 651-2789. Booking for the package is essential, optional for the other events. The Sir Andrew Macphail Homestead is a place people always tell me they have meant to visit but just haven't yet. We invite you to change that this summer! In addition to our activities, we are surrounded by 200+ acres of forest with a stream running through it. There is so much to experience here.

A Community Inventory with a Difference

Shirley Cook Krug prepared a community inventory that would list all the owners and residents of all the houses in the limits of Belle River. She also wanted to highlight historic cemeteries, churches, mills and the busy harbour of long ago.

Now her information, complete with a selection of old and modern maps, and over 125 black and white photographs, has been printed and is ready for sale!

The book can be obtained from Shirley (902-962-3183), these local outlets: Coopers, The Croft Shop & The Store/Post Office for \$10.00.

August Update Pinette/Flat River/Roseberry Mosquito Program

The "Mosquito Management Team" has been hard at it with treatment through the month of July. We will be staying focused on this through August and on into September, should it be needed. As you know we are only working on dealing with the tidal marsh species and have no way to manage grass and woodland species. It may not seem at times that there is control, but reducing their overall intensity has been our goal.

If you haven't got your financial support for the 2019 program in yet, please do so soon. We are asking \$120.00 per household. Those who have not, but are still wishing to support the program, please drop off your contribution at Cooper's Red and White. Cheques or cash are accepted. Mail in payment can be sent to Debbie Beck, 38 Pinette Road, Belfast PE COA 1A0. An e-transfer is the easiest way to pay, send to belfastmosquitos@hotmail.com.

If you have any questions about the program, please contact Blair Morrison at 902 626-5481 or blairmorrison.75@gmail.com
