Belfast Consolidated School Report

Hello everyone! I hope you all have had a wonderful summer, doing the things your family loves to do.

We are excited to get our students back for another school year. We look forward to meeting new students to our school and catching up with everyone's summer stories.

A reminder, homeroom teachers will be buying all school supplies (except indoor sneakers, book bags, and lunch cans) for all grades, with the \$40 fee you paid in June. If you haven't paid yet, you can do so when the school year begins.

A reminder, Mrs. MacDonald, Mrs. Van Colen, and Mr. Munro will be in the office starting on Monday, August 26th to Friday, August 30th. The first day for staff is September 3rd, and students are back to school Thursday, September 5th.

Other important dates for September include: Tuesday, September 10th when our staff will host "Meet the Families" night. Also, the first Home and School Meeting is scheduled for Tuesday, September 17th at 7pm.

If you would like to volunteer at the school this year, please contact the office, and we would love to discuss your ideas. We have lots of opportunities for parents and community members to be involved in music, art, sports, drama, library, and other activities to help support students' co-curricular learning.

Belfast Historical Society

Polly Day at Orwell Corner Historic Village Hall on August 7th was a grand success. The BHS wishes to thank Jason MacNeill at Orwell for arranging to bring the original John M. Horton painting of the Polly at Anchor to Big Belfast - the first time it has been made available to the public since 2003. Upwards of 70 people visited Orwell Village specifically to see the beautiful painting and enjoy tea together.

The BHS's annual church service in the relocated 1876 Belle River Church of Scotland on August 11th saw the church filled to capacity as worshippers enjoyed the sermon and music provided by Rev. Plouffe and family.

The BHS was pleased to donate a blanket to the winner of the first race at the "Kilted Pace" on August 11th. Belfast's Pinette Raceway is a good time anytime, but the sulky drivers in their tartan kilts makes for even more good fun!

The popular Big Belfast Fun Map and Passport continues until September 27th. Collect at least 6 stamps and enter your passport for a chance to win a cash prize. (Passports available at participating businesses.)

General meetings with guest speakers are held six times a year on the fourth Thursdays of April, May, June, September, October and November. Shared lunches follow.

"Christmas in Belfast" is November 30th at the Belfast Recreation Centre. Details soon.

Belfast and Area Watershed Group

BAWG has had a busy season! Working on restoration projects throughout our watershed – spanning from Earncliffe through to Cape Bear. Much work was preformed on clearing of streams, restoration via patch cuts and brush mats, along with the planting of over 1700 trees throughout our region.

Beach clean-ups were completed by staff over our entire coverage area and bank swallow surveys were preformed. We continue our work into the fall, with stream monitoring, outreach, and community presentations over the fall and winter.

We thank all community members, landowners and funders for their support.

We are now planning for the 2020 summer season and invite anyone wishing to volunteer with BAWG to reach out to Sherry Pelkey: 902-218-1582 or belfastareawatershedgroup@gmail.com.

Coffee Time at the Belfast Rink - Tuesdays 9:00 - 11:00 AM

Enjoy meeting casually with folks in our community. No meeting, nothing organized, no pressure!!! FREE Coffee and Tea with possibly a treat! Play a game of pool, cards, dominoes, etc.

ALL WELCOME!

Mt. Buchanan/Point Prim Mosquito Control Program August 2019

Old Home Week is past, summer is almost over and approximately 6 weeks left on our mosquito control program. We hope you, your family and visitors have enjoyed a measurable reprieve from the pesky mosquito. It has been an eye opener to realize the number of freshwater mosquitos around. We look forward to reduced population of all types of mosquitos.

To address expressed concerns, we took samples in 8 locations on June 19th and again on July 23rd to determine the species present and forwarded them to The Agriculture and Agri-Food Canada for identification. The June samples were all freshwater variety however in the July 23rd sampling 3 of the 8 locations sampled had a mixture of fresh and saltwater species. This was disappointing however part of the learning process this summer.

Bug Busters is aware of expressed problem areas and continue to monitor the saltwater marshes as per their contract however they are not able to take on any new areas of freshwater habitat this late in the season. They will attempt to identify freshwater habitat in our districts this fall and give us information and cost for the 2020 season for your consideration.

Overall the control of the saltwater mosquito has been very encouraging with the exception of two locations which continue to be troublesome. In those locations accessing the watercourse where eggs are being laid and properly applying the Vectobac is extremely difficult. We've appreciated the suggestions and feedback from the community to date and have explored the suggestions received to date. A survey will be sent to all supporters in September for their input and evaluation of this program as we seek direction for 2020 season.

Thank you to all who supported this program financially, by monitoring and improving their property and by encouragement as we strive to enhance summer life in Point Prim and Mt. Buchanan.

Sir Andrew Macphail Homestead

The Sir Andrew Macphail Homestead is serving lunch in our beautiful Veranda Cafe on weekdays (closed Mondays). Delicious soups, fishcakes, bread pudding with whiskey sauce are a few of our best-loved menu items. The "Orwell Salad" is a potato salad with a house-made pesto dressing. We can accommodate gluten-free as well as vegetarian preferences. We grow our own veggies and use them for our soups and salads.

Sunday Brunch is a hearty meal served in the sunny, airy Cafe. Served between 11:30am - 2:30pm.

Ceilidh at the Corner is every Thursday night at Orwell Corner Historic Village. Add some fun and experience our 'Package', consisting of a wagon ride from Orwell Corner to the Macphail Homestead, where we will serve you a delicious three-course meal (cash bar available) then back to Orwell by wagon in time to attend Ward MacDonald and friend's evening of traditional music plus an opportunity to square dance! The Package costs \$50 per person for all three activities. To only attend the Ceilidh, tickets are \$15.00 and the doors open at 7:00pm for 7:30.

Thank you!

Mary and Richard Le Page would like to say a big "Thank you!" for the Benefit and Art Auction Fundraiser held at the Belfast Rec. Centre. The Belfast Lions Club - What Lions has Recently Supported

As mentioned in previous newsletter, our aim is to support projects that meet the goals of Lions Clubs National, and International with a strong commitment to our community and its needs as our foremost objective. When we say, "Lions support", it is actually each of you by your support and sponsorship of the Belfast Lions Club and our various fundraising events.

Over the past couple of months, The Belfast Lions Club has provided support to seven families for off-Island Medical Travel, Belfast Highland Games, Foster Parent Plan, and Cymbria Lions Equipment Project.

We cannot always be aware of when individuals travel for off-Island medical support. If you know of someone requiring travel for off-Island medical care, please let a Lions member know, so that the Club can do its part in supporting our community. Thank you!

Thinking of You on The Day You Went Away

*Today, like many other days
brings special thoughts of you
of happy times we shared
and caring things you used to do.*

*And, once more, it's a reminder
that life's road is sometimes rough
because the time we shared
just wasn't long enough.*

*For you were someone special
who was thought so highly of
who'll always be remembered
with affection, warmth and love.*

*So sending thoughts to heaven
on the day you went away
and hope you know you're missed
more than words could ever say.*

September 1st, 2018, was a day that broke our hearts and forever changed many lives. Our beloved mother, Gramma and friend, Rikki Schock, left us way too soon. We look back on this day with grief and sadness but are truly blessed with many wonderful memories of such an amazing woman.

In loving memory of our mom, **OUR HERO!**
Always on our minds. Forever in our hearts.

With love from Bette, Brenda, Cara and family
