Belfast Consolidated School Report (as of Monday, August 24th)

Mrs. Van Colen and I have been working with staff on our return to school plans. We hope parents have had a chance to review the plans, and feel free to contact us via email if you have any questions or concerns. The link to our plan can be found on this website (sorry for the long address!):

https://www.princeedwardisland.ca/en/publication/belfast-consolidated-school-operational-plan

We are excited to have CHANCES with us, using two rooms for their programming. It is great we are able to support families in the community, and hope they decide to stay for a long period of time.

In the month of August, we hired Dekoda Conohan as an EA for next school year. Dekoda was at Stonepark last year. We are excited to have Dekoda join us for the 2020-2021 school year!

We are all excited to see our students and parents soon!

For more information, you can follow us at https://www.belfastconsolidated.wordpress.com, **Twitter** @BelfastBulldog, on Facebook at Belfast Consolidated Home and School Association. or on our YouTube Channel BelfastConsolidatedSchool.

Items of note for the **Rural Municipality of Belfast** for the month of September 2020:

Mosquito Programs Continue to be Eligible!

At the August 19th Council Meeting, members of Council discussed the appropriateness of continuing to allow Mosquito Abatement Programs, as an eligible criterion within the Community Grants Program Policy. After public presentations and public Council debate, it was decided by Council to continue to allow for the eligibility of Mosquito Programs within the Community Grants Program process. Council has also decided to research some additional options for consideration.

Belfast and Area Watershed Group

As you are reading this, we are saying good-bye to the summer team and thank them for their dedication - BAWG had a busy season, working on restoration and monitoring projects throughout our watershed. Work was conducted on restoration along our streams, planting of over 1300 trees, bat houses and wood duck boxes were built and installed. Beach clean-ups were completed by staff over our coverage area, and bank swallow surveys were conducted.

A special shout-out goes to the Wood Islands Area Development Corporation for the use of the barn at the Visitors Village for outreach and activities. BAWG is also grateful to the Gillis Lodge for donating space for our first pollinator garden. We thank all community members, landowners, volunteers, and funders for their support.

Do you own property along one of our river systems (this includes streams)? If so, we would like to connect with you. Please call or text Sherry Pelkey at 902-218-1582 to arrange for a site visit and answer a few questions. The information will be used to plan future restoration projects and conduct stream health assessments.

Note: Please remember to clean out your birdhouses to be ready for next spring.

The Deuce is Loose

The organizers of the Deuce Is Loose fundraiser have decided to postpone our weekly draw until further notice. The jackpot will hold steady until that time and we will resume where we left off.

Thank you all for your continued support!

In Loving Memory of Rikki Schock

Time slips by and life goes on,
But from our hearts you're never gone.
We think about you always,
We talk about you too.
We have so many memories
But we wish we still had you.

A second year has passed since you left us mom. Your wings were ready, but our hearts were not.

Always loved, never forgotten and forever missed.

Bette, Brenda, Cara and family

Belfast Historical Society

Well, 2020 has been a different year! In a normal year, so many of our visitors come from away, many doing genealogical research; many wanting to connect Selkirk dots from Scotland to Belfast, Baldoon, or Red River; and, of course, all history buffs. We have missed them and all of you! We didn't let our quiet year go to waste, however. Our summer student Logan O'Neill did some great research and developed some supplemental activity pages for grade school students.

We hosted a sun-filled Polly Day on August 7th; thank you who paid too much for hot dogs and ice cream but did it willingly to help our organization in this COVID year. Your support and smiles buoy us! Our grounds have never looked better; thanks go to Dan Sales — new to our team this year. We were also happy to share him with Pinette Raceway so they looked snappy, for their Kilted Pace Race — Belfast culture at its finest.

The BHS would like to express our deepest sympathy and sincerest condolences to the Gillis family of Point Prim who lost their mother and a brother just months apart recently. Gilbert, together with his wife Goldie, have worked hard to preserve and protect the history of our iconic Point Prim Lighthouse. Gilbert's mother Elinor preserved our Big Belfast history by painting her recollections; many say, she is PEI's Maud Lewis. With nearly 60 of her art pieces having been pledged to the community, the BHS plans an Elinor Murchison Gillis Gallery, in addition to an expanded facility for our museum and performance arts venue. If you believe that art, culture, heritage, and history are important to a community's well-being, please consider making a donation to this capital project; others already have, and we are truly thankful. Charitable tax receipts available. With our new direction into the arts (in addition to culture, heritage and history), we would surely love to hear from folks who might be interested in sharing their varied skills, volunteer time, expertise in any number of capacities. Grassroots and ground floor!

"Take Away Treasures Sale" (Yard Sale) Thursday, Friday, Saturday, and Sunday, September 10th - 13th (10 am to 3 pm.) in the decommissioned Church of Scotland building on Selkirk Park Road, (next to Highland Greens Golf Course). Weather permitting. Storm date: the next weekend. Please bring your own bags. Cash only. Coved protocol in place. BBQ Hot dogs, ice cream, and drinks available on Saturday, starting at 11:00 am. Help please: would you consider donating good clean items to help us with this fundraiser? Let's fill the church by September 7th! Call Donald and Doris at (902) 659-2704 or Audrey at (902) 940-4784 for info or to volunteer. Many thanks!
