## **Belfast Consolidated School Report (As of April 23<sup>rd</sup>)**

Each year, Bookmark raises money with a charity book drive and then donates the money raised to elementary school libraries. This year, the Bookmark raised \$5,000.00 so are able to donate \$1,000.00 to five schools. They've chosen Belfast Consolidated to be one of these schools! Because they also offer schools a 20% discount this means we will actually have \$1,200.00 to spend on books. Thanks to the Bookmark on their generous donation to the school library!

This year, we have noticed our breakfast program has been “well-used” by the increase in need, and numbers at the school. If you would be willing to make a donation to the program, we would love to receive cereal, granola bars, yogurts, fruit cups, muffin mixes, crackers, or perishable foods on a Monday (used by Friday), or any monetary donation as well. Every little bit helps! Thanks in advance for any donation we receive.

Welcome to Kindergarten will be held Wednesday, May 19<sup>th</sup> from 6:00pm-7:30pm, and Kindergarten Orientation will be Friday, June 4<sup>th</sup> from approximately 9:00am-11:30am. Any students who are Kindergarten age should try to attend these events. Please make sure your child is registered for Kindergarten next year.

## **Belfast Historical Society**

As our world hits the "Pause" Button in this New Normal we find ourselves in, we would like to take a step back into the history of schools in our Belfast Community and "**Leap Over Time.**" In 2004, this book containing the history and recollections of one-room schools in the Belfast area from 1803-1968 was written and compiled by Eliza Gillis, (the late) Viola Gillis, and Linda Jean Nicholson. This book is like a scrapbook of well documented history, photographs, and memories from each of the schools in the larger community. With consolidation came changes as the students and staff transitioned into what we now know as the Belfast Consolidated School. The staff consisted of 18 members (including a music and physical education teacher), a principal, a custodian, and seven bus drivers. When the one-room schools were vacated, they were offered for sale and groups such as the Women's Institute could purchase a building for a dollar! The book also contains a picture of the school staff (1969-70). Fittingly enough, the last memory in the book was written by Beth (Gillis) Fortune, who was in the first graduating class from Belfast Consolidated and is an active member of our Belfast Historical Society.

Fast forward to four years ago when Belfast Consolidated was slated for closure due to declining enrollments. The school and the larger community fought and the school remained open. Just recently, the principal, John Munro, in an interview with CBC stated that an influx of students has brought new life and culture to this school. Belfast Consolidated currently has 132 students, is ready to welcome its largest Kindergarten class in a decade... and these numbers will certainly increase with the number of families moving to our community. Another positive note... as of deadline time for this article, another group, Chances, is exploring the possibility of implementing a Smart Play (after school) program beginning in Sept. 2021.

We, the BHS, are very pleased as the "keepers of our history", to be able to look back as well as look forward. We do have a limited number of copies of our book, "Leap Over Time" available at the Croft House. **If you are the only link between your grandparents and your grandchildren, don't break that link!**

### **CHANCES at Belfast Consolidated (After School Program)**

We are pleased to announce that CHANCES is exploring the possibility of further supporting families in the Belfast community by implementing a Smart Play (after school) Program at Belfast Consolidated School starting in September 2021. Success of this program will be based on the level of interest on the part of parents and subsequently, the number of children who would be attending. If you are interested in having your child participate in this after school program in September, please use the online form below to register! We will let you know by June 1<sup>st</sup>, 2021 if we have enough children registered to implement the program in September. Each family will be contacted directly.
